A Four-Prophet Advent

Hermanos y Hermanas en Cristo,

December 2 is the first of four Sundays in Advent—our sacred season of waiting and preparing for the coming of our Savior. This year, we will engage the season with an unfamiliar cast of characters. You may be most accustomed to John the Baptist’s bold proclamations of one greater than him to come, and Mary’s incisive song describing God’s mercy extended to the most vulnerable. However, this year, our window into Advent will be more prophetic. This year’s Old Testament readings feature a different prophet each of the four Sundays. You can read them in advance if you like:

December 2—Jeremiah 33: 14-16

December 9—Malachi 3: 1-4

December 16—Zephaniah 3: 14-20

December 23—Micah 5: 2-5a

As we consider prophetic utterances from long ago, let us remember that the words and wisdom from prophets are not always well-received by their contemporaries. We will also consider what prophetic voices say to us today. Each Sunday we will focus on one prophet, considering historical and contemporary understandings. Rumor also has it that during our worship services, we may be visited by the actual prophets as part of the children’s sermons!

You are invited into this reflective season of Advent as we together await, with hope, the birth of the Lord our God.

Advent, and soon-to-be Christmas Peace,
Rob

PRESBYTERIAN MEN

By Eli Lopez

PM Webpage: <http://www.secondpresabq.org/presbyterian-men.html>

Greetings to all Second Presbyterian Men:

This is an open invitation to all male members and friends of Second to become active members of our men's group. Meetings are on the last Saturday of the month at 9:30am in Fellowship Hall. Our meetings begin by having breakfast snacks provided by individual members (we often have breakfast burritos) followed by opening prayer and devotions that are led by a different member every month. Devotions are the highlight of our meetings. We respond to the selected topics and scriptures with personal life experiences. We then hold a business meeting to discuss activities in which we are involved throughout the year. These are some of our activities this past year:

- Participated in worship with other Presbyterian churches;
- Had a Frito Pie luncheon fund raiser for the congregation at Second;
- Had a country style breakfast (cooking on the grill and disco) for the members and their spouses (very successful and fun);
- Coordinated a Veterans' recognition program and luncheon on November 10, in Fellowship Hall;
- We have committed funds from our budget to several church and community organizations as part of the mission of Presbyterian Men, including:
 - Scholarship fund to Menaul;
 - Gift to Matanzas Central Presbyterian Church in Cuba;
 - Triennium funding for the EPIC youth group
 - Habitat for Humanity;
 - Joy Junction;
 - Rio Grande Food Project;
 - NM Coalition to End Homelessness;
 - NM Conference of Churches;
 - NM Faith Coalition for Immigrant Justice; and
 - NM Voices for Children.

We realize that if we are to continue to provide help to some of these organizations we need to formalize a way to generate income. Thus, we are in the process of formulating our dues for membership and will be planning for upcoming fund-raising activities. I encourage you to join with us in our faith building and our endeavors by becoming dues paying members or through donations to Presbyterian Men to continue our efforts.

I hope you will decide to join with us.

**STEWARDSHIP AND FINANCE**

*By Ruth Montoya*

Celebrating Stewardship Dedication Sunday: On Sunday, November 18th, the congregation, comprised of members and friends of the church, came forward to the communion table to dedicate their financial pledges for 2019. Together, our commitments will enable the continuation of our ministries and mission activities, plus enable new program possibilities in the coming year. The Stewardship and Finance Committee is grateful to you for participating in the life of our church through your financial gifts as well as your support through the giving of your time and talents.

**The committee will continue to receive your pledges throughout the month of December. In the event you did not receive the Stewardship mailing that went out earlier in the month, additional pledge cards (gold) can be found in the pew boxes.**

**CHRISTMAS JOY OFFERING**

The Christmas Joy Offering is traditionally received during the Advent Season which begins on December 2. Second Church will receive this special offering on Sunday, December 23 and again on December 30. The offering will be used as follows:

- Support racial ethnic schools and colleges
- Leadership Development for racial ethnic communities.

This offering offers opportunities for partnership, learning, and witness that affects the life of the church as a collective witness to Jesus Christ's love for the whole church.

## ALBUQUERQUE HEALTHCARE FOR THE HOMELESS

*By Don Bixby*

Albuquerque  
**HEALTHCARE**  
for the homeless

**Towels and Socks for the Holiday Campaign** -- Albuquerque Health Care for the Homeless (AHCH) provides critical services to over 7,000 men, women and children every year. By addressing the health-related causes of homelessness, AHCH makes it possible for people to find solutions

to end their homelessness. While the needs are many, Second is focusing on a collection of towels and stockings for men, women and children, during the Advent Season. The clinic Resources Center has showers for the homeless and towels are always in demand. For folks who are out on the street all day, a fresh pair of socks is a treasure. Please put bath towels and socks on your holiday shopping list for the homeless. For questions or further information contact Pat Bixby. Look for the donation site in the sanctuary starting December 2nd.

## ADULT CHRISTIAN EDUCATION

*By Rev. Dr. Kay Huggins*

Sunday Morning Adult Present Word meets at 9:00am each Sunday! There is a faithful core of eight, but room for double that number: so, if you are interested in studying scripture in an interactive approach inspired by Presbyterian curriculum, please join us! In December we begin a new quarterly: Our Love for God. Here is the description for the next three months.

This quarter's study begins with God's demands for our complete and undivided love as shown in passages from Deuteronomy and Psalms. It proceeds with our response to God's love in the advent of Christ, and the Epistles' interpretations of the nature and extent of our responses to God's love in Christ. It concludes with passages from three of the Psalms expressing glorification of God.

**Unit I, "God Commands Our Love, Respect, and Obedience,"** has five sessions. The Deuteronomy passage contains a presentation of God's demand for total love and devotion. The session from Joshua contains his faithful statement of love and reverence for a liberating God. In Psalm 103, David expresses love and glorification of God for God's creative, sustaining, and protective actions. Luke portrays the advent of Christ and human response to God's act of fulfillment of God's promise. We are challenged in Matthew to love God through compassionate works.

**Unit II, "Loving God by Trusting Christ,"** has five sessions. Matthew continues to inspire trust in God for all things, while James encourages total submission to God in love. In his letter to the Philippians, Paul gives an interpretation of human devotion to God in Christ; promotes selfless devotion through exemplification of Christ's total submission to God in love; and encourages giving up everything for the sake of one's love for Christ.

**Unit III, "Love Songs That Glorify God,"** has three sessions. The quarter ends with Psalm 48, which focuses on a song of adoration for God's steadfast love; Psalm 66 focuses on part of a love song of praise to God for all God's mighty works of goodness; and Psalm 91 closes this unit with a praise song to God for assurance of protection and comfort for those who love God.

## WORSHIP AND MUSIC

*By Don Bixby*

**Candles as Symbols of Light** during Advent candles are used in many ways to symbolize the light of Christ's birth in the darkening days of December. Each Sunday a family group will be lighting the candles in the Advent Wreath, celebrating *Hope, Peace, Joy and Love*. The Joy candle is pink while the other candles are purple, the liturgical color of Advent. On Christmas Eve we will be celebrating with a Candle Crèche, involving the lighting of Crèche figure candles followed by the lighting of hand-held candles. It is our tradition that the flame of these candles is passed from one person to another while the congregation sings "Silent Night." Finally, we gather outside around a fire to sing familiar carols to celebrate Christ's birth. Come join the Light.

**Prophets** Each week of this lectionary cycle the children (and the rest of the congregation, of course) will meet a prophet. Jeremiah, Malachi, Zephaniah, Micah, and Isaiah each were sent by God many years ago to help us understand that God's Son was coming to help us have a better relationship with our God. We are excited that Second will have the opportunity to meet them and hear their messages once again in 2018 A.D.

**Food Donation** On the first Sunday of the month you are invited to bring nonperishable foods that will be taken to the Albuquerque food bank to help feed the many in our community who are without adequate food.

**Sign-up Sheets** The programs and worship services of Second Presbyterian Church are maintained by the large and small gifts and acts of thoughtfulness by many people. For these gifts we are all grateful. You can support our programs in many ways, but there are sign-up sheets for three ways in the Fellowship Hall: 1) providing

flowers, 2) serving as ushers, 3) helping with hospitality. You might want to choose dates with special significance.

**Christmas is Coming Poinsettias** – As Pastor Rob pointed out recently, the Advent Season and Christmas are just around the corner. **DOCTRINE OF DISCOVERY**

**Background:**

The 222nd General Assembly (2016) of the Presbyterian Church (U.S.A.) called the church to confess its complicity and repudiate the Doctrine of Discovery. The action also called for a review of the history of the doctrine and the writing of a report on the doctrine.

The Doctrine of Discovery was first articulated in 1452 by Pope Nicholas V as the Papal Bull “Dum Diversas” and in 1496 by King Henry VII of England as a patent granted to John Cabot, which *authorized and justified the destruction, killing, and appropriating of the lands of indigenous peoples and nations.*

**Recommendations Approved by the 223rd General Assembly (2018):**

1. Urge the **session** of each congregation, as well as each mid council, COTE-member seminaries, **Presbyterian Women’s groups**, and other organizations to **confess their complicity and repudiate the Doctrine of Discovery.**
2. Direct the Presbyterian Mission Agency to create resources for education on racism that address the themes in this report involving Native American Presbyterians and congregations.
3. Encourage COTE-member seminaries to prepare students to articulate Native American theologies to give voice to these theologies and disrupt historic oppression and racism in Native American communities.
4. Encourage the commissioners of the 223rd General Assembly (2018) to review the 212th General Assembly (2000) report, “Comprehensive Strategy for Ministries with Native Americans” (Minutes, 2000, Part I, pp. 206ff), including its supplemental recommendations regarding all aspects of Native American ministry, and to lift up Native American ministries in the PC(USA).
5. Direct the Presbyterian Mission Agency to create a speaker’s bureau on Indigenous issues and publicize the list to the church.
6. Direct the Office of the General Assembly to amend the Standing Rules of the General Assembly so that each meeting of the assembly begins with an acknowledgement of whose land the assembly is meeting on and that greetings to the assembly include a welcome from those Indigenous peoples currently living on the land.
7. Direct the agencies of the Presbyterian Church (U.S.A.) to begin each meeting with an acknowledgement of whose land they are meeting on and that greetings to the assembly include a welcome from those Indigenous peoples currently living on the land.

8. Encourage mid councils to begin their meetings with an acknowledgment of whose land they are meeting on and that greetings to the assembly include a welcome from those Indigenous peoples currently living on the land.
9. Encourage the Presbyterian Publishing Corporation to create resources that address the realities faced by Indigenous peoples in the United States and worldwide.
10. Encourage the Presbyterian Mission Agency to provide education on the human rights of Indigenous peoples as part of preparation for all mission co-workers.
11. Direct the Presbyterian Historical Society to identify and highlight resources related to Presbyterian Church (U.S.A.) and its relationships with Indigenous peoples.
12. Direct the Presbyterian Mission Agency to initiate a survey in order to create a listing of courses taught in COTE-member seminaries that focus on the histories of Indigenous peoples and current issues facing Indigenous peoples, identifying specific instructors, courses, texts, and syllabi when possible.
13. Direct the Presbyterian Mission Agency to identify in the Book of Confessions how our confessions may support the Doctrine of Discovery, how our confessions may challenge the Doctrine of Discovery, how our confessions provide evidence for ways the church can change, and to report its findings to the 224th General Assembly (2020).
14. Direct the Presbyterian Mission Agency to include the Doctrine of Discovery and the histories of Indigenous peoples and current issues facing Indigenous peoples in its antiracism and training efforts.
15. Encourage mid councils to request that when they contract outside antiracism trainers that the trainers address Indigenous issues and include Indigenous trainers, adjusting the content to be appropriate to the context in which the training takes place.
16. Direct the Presbyterian Mission Agency, in consultation with the Native American Consulting Committee (NACC), to devote an issue of Unbound to the Doctrine of Discovery, including histories of Indigenous peoples and issues facing Indigenous peoples.
17. Urge the **session** of each congregation—as well as each mid council, COTE-member seminaries, **Presbyterian Women’s groups**, and national church agency—to **review the existing study resources on the Doctrine of Discovery (posted on the Facing Racism website: <https://facing-racism.pcusa.org/item/41901/>), and to lift up histories of Indigenous peoples and current issues facing Indigenous peoples.**
18. Direct the Presbyterian Ministries at the United Nations to monitor Indigenous issues in the United Nations and to share this information in its reporting.
