**Our Journey will begin and end at

## *Journey of the Heart*

**We are on a journey walking each step so  
that love might become visible and real!**

Join people from various Christian congregations on a pilgrimage through downtown Albuquerque's community of need and mercy, pain and hope.

Our journey is to transform the threads of suffering, poverty and violence into a tapestry of loving intentions that moves us toward freedom, liberation, and the fullness of love.

*We can change our community one  
loving and prayerful step at a time!*

**All are welcome to a closing reception at the  
Immaculate Conception Parish Hall.**
